**CADILLAC SALES MANAGER: BILL PASTOR**

### March Meeting:

The March meeting of the St. Louis Region Cadillac and LaSalle Club will be held at Fast Lane Classic Cars, 427 Little Hills Industrial Blvd., St. Charles, MO. The group will gather at 11 AM on Saturday, March 23 to browse and discuss the cars on display. After a time for viewing the cars those interested will have lunch at a restaurant nearby.

We have had a number of meetings at Fast Lane so most are familiar with the location. If any haven't been there before, Fast Lane is located just west of Highway 94 and just north of I-370. From I-370 take the Highway 94 exit, turn left at the end of the ramp on to 94, then almost immediately turn left on Little Sister Hills Expressway. From there you will be able to see Fast Lane. Make another left turn and you will meet Little Sister Hills Industrial Blvd. and you will be at your destination. Someone mentioned at the last meeting that they have a new building. I don't know exactly where we will meet but I am sure we will find each other.

### Secretary/Editor's Report:

#### February Meeting:

The February meeting was held at Gateway Classic Cars in O'Fallon, Illinois. The automobile

viewing was disappointing as it turned out that they were simultaneously having a home show in the building which occupied maybe 75% of the floor space. There were cars to look at but they were crowded together and mainly grouped around the perimeter. We were told that many of their inventory had been temporarily moved off site.

Nevertheless, we had a pretty good turnout and nearly everybody joined for lunch at the Hop House. I counted 18 at lunch. During a brief meeting after lunch Director Kevin Williams announced that the Museum of Transportation had been secured for our annual fall show on Sunday, October 6. We will display our cars on the upper lot. Details to follow.

Kevin asked for a show of hands as to how many are planning to attend the national meet in Louisville, KY next June. I did not count, but based on what I saw St. Louis Region will be well represented.

A few photos from the meeting are included despite lighting and perspective difficulties.

#### Dues Payments:

At the end of last year there were 43 dues paying members (or family groups). As of this date I have received dues payments from 29. I will soon be sending our individual reminders to those who have not renewed their membership. If you think

you receive this reminder in error let me know. In the meantime, to renew send a check for \$15 to receive the newsletter by email or \$30 to receive it by US mail. Send to me at 1037 Wood Ave., Kirkwood, MO 63122.

#### **Upcoming Auction:**

The extensive inventory of classic automobiles and memorabilia from the collection of the late Fred Guyton, that we were fortunate to be able to view last September, will be auctioned off on May 4 and 5 with viewing available on May 3. This will be a no reserve auction but bring a satchel full of money (or two). You may see details of this event on their official website, [www.rmsothebys.com](http://www.rmsothebys.com). I had a little trouble finding the right website as there are many RM Sotheby's sites advertising other auctions such as the upcoming Amelia Island auction, but if you keep at it you will be able to find their official home page with all of the 2019 auctions listed. You can also find them on Facebook.

#### **Newsletter Content Needed:**

This will be a slim newsletter as no one has sent me any articles about their cars, projects, or other auto related topics. So, keep me in mind and help me out with some material I can include in upcoming issues.

#### **Club Sponsorship:**

We are fortunate to have a sponsor for our St. Louis Region, ELCO Chevrolet and Cadillac, that actively supports our club, from hosting a spring show which will be held on their lot next month to providing their dealership for a meeting each year, and sponsoring our annual fall show. Our primary contact is Bill Pastor, Cadillac Sales Manager. You may contact Bill in person at the dealership or by telephone to discuss any new Chevrolet, Cadillac or used car need you may have. Be sure to mention your St. Louis CLC membership. Another resource at ELCO who may be able to answer technical or maintenance questions you might have and/or to point you in the right direction is Pat Howk, an ELCO employee and CLC member.

#### **George Bergen**

#### **2019 Schedule of Events:**

**April:** ELCO Cadillac, spring car show, Saturday, April 27. See next months newsletter.

**May:** Picnic, Blackburn Park, Webster Groves, MO, Sunday, May 19.

**June:** Cadillac and LaSalle Club Grand National Meet, Louisville, Kentucky, June 11-15.

**June:** Danial Schmitt Classic Cars, Saturday, June

29, 11 AM followed by lunch.

**July:** Country Classics, Saturday July 27, 10 AM followed by lunch.

**August:** Bob's Gasoline Alley near Cuba, MO, car caravan and lunch, \$15 buffet, Saturday, August 24. Pre-meeting sign up and minimum number of participants will probably be required.

**September:** Hyman LTD, Saturday, September 21, 11 AM followed by lunch.

**October:** Annual Show, October 6, Museum of Transportation Upper Lot.

**November:** ELCO Cadillac, Wednesday, November 20, 6 PM.

#### **Parts for Sale:**

1954 Cadillac Eldorado Engine and Transmission. Needs rebuilding. Rodell's Towing. 314-280-6431 or 314-388-4418.
